

BIG AMSTERDAM

UNION

Everyone knows a bicycle is the best way to get around in Amsterdam. You can visit all the highlights of the city center within a day. But nowadays, there's an even better option: the electric bike! With an E-bike you can visit more attractions in a shorter amount of time...all without breaking a sweat. For your convenience (or should we say leisure), we have included a few additional places worth visiting on a new map. We call it **Big Amsterdam**. So, hop on your e-bike and enjoy the ride!
